THE HEART BLOCK

AN  I'M FEELIN' CRAFTY QUILTING PATTERN
WWW.FEELINCRAFTY.WORDPRESS.COM

Suggested Materials:

1/4 yd of two colors of fabric or a pile of scraps!

Instructions:

Print the pattern.

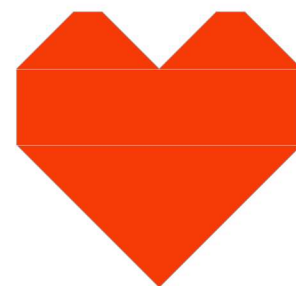

- Print all pages on standard paper, no special paper is needed. The pattern is set up to print on 8.5x11 paper.
- Make sure your print setting is set to 'Actual Size' or 'No Scaling.'
- Each quilt block pattern has a 1 inch x 1 inch test square. Use this to make sure the block has printed correct

This pattern assumes that you have paper piecing experience, Paper piecing instructions are not included, but you can check out my paper piecing tutorial here:

Here are a couple of tips:

1. Shorten your stitch length. I typically use about 1 to 1.5. This helps when removing the paper.
2. Be sure your fabric pieces cover all the seam allowances (the dotted lines on each pattern piece).

I'd love to see pictures of your projects!
